## REMINDERS

- +We strongly encourage front door pick up and drop off. Our viewing area can become congested during peak pick up and drop off times.
- +All athletes must bring indoor sandals and wear them when walking to the mats and washrooms.
- +Good hygiene is essential to a healthy training environment. Please wash your Gi and trim your finger/toenails.
- +Bring a water bottle.

**COVID 19 UPDATE**

In light of the ongoing COVID-19 outbreak, we are following the guidelines of the Saskatchewan Health Authority. We are also in contact with Sask BJJ, staying up to date on their recommendations for a safe training environment and programming.

Do not send your child to class if they are displaying and symptoms of Covid-19, seasonal flu, or have been in contact with a probable or confirmed case of Covid-19.

We will be implementing a Door to Mat Protocol. Please don your mask when entering the training facility. You may remove your mask just prior to stepping on the mats.

**FUNDRAISING GOALS**

Our Parent Committee has set out to raise funds to purchase competition mats. With the purchase of these mats Control can host tournaments, and rent them out for added gym revenue.

In the past we have partnered with Mosaic Stadium for floor placement/removal, Kid's Sport for parking lot security, and with the Scotties Tournament of Hearts for recycling removal.

Watch the Parent Portal for updates on future fundraising events.

If you have any suggestions for events please comment on the Parent Portal.
